

WORKING LIFE MENTORING IN VAASA!

What is it?

Voluntary work, aiming to support highly educated people who have moved to Vaasa region with matters related to working life.

Duration?

The duration of the mentoring cycle is 8 months. During this time the mentor that is experienced in Finnish work life and the immigrant mentee will meet up 1-2 times in a month, according to their own schedule.

What else?

During the 8 months mentoring cycle, in addition to the mentor-mentee couples meetings, three group-meetings will be organized for all the participants. The group-meetings will take place in the beginning, in the middle and in the end of the mentoring cycle. On these occasions the mentor-mentee teams will be given information and peer support to their own mentoring process. The language at the group-meetings and of the material is Finnish. To support the mentoring process a virtual environment and a website have been developed.

WE ARE CONSTANTLY LOOKING FOR MENTORS AND MENTEES. JOIN NOW!

The working life mentoring is based on a pilot project that was conducted in Vaasa 2015. For the project the Family Federation of Finland (Väestöliitto) developed a mentoring model suitable for Vaasa's area. The project was so successful that now we have developed interactive website that enables the mentor and mentees to register, communicate and start their own mentoring process.

Mentors are:

educated and open-minded professionals from various work fields, who want to support people with an immigrant background by sharing their own work life skills, experience and knowledge

Mentees are:

highly educated people with immigrant background that are motivated to develop their knowledge, skills and professional networks in working life in order to improve their chances for employment
